

Jan Marek is a Partner in Deloitte leading the valuation and financial modelling team in Central Europe. He specialises in valuation and financial modelling for transaction, transfer pricing and litigation purposes. In addition, Jan has also worked on privatisation and due diligence projects. Prior to joining Deloitte, he worked as a portfolio manager and a stockbroker at the Prague Stock Exchange.

He serves as President of the European Chapter of the American Society of Appraisers. He also acts as a member of the Business Valuation Standards Board at the International Valuation Standards Council and as a member of the Advisory Board of the Institute of Economic Studies at Charles University in Prague.

Jan has a master's degree from the Institute of Economic Studies at Charles University. He holds the Accredited Senior Appraiser (ASA) and Chartered Financial Analyst (CFA) professional certifications.
